*AG Schissler*

*2/14/2018*

## Instructions [20 points]

Modify this file to provide responses to the Ch.10 Exercises in Sheather (2009). You can find some helpful code here: <http://www.stat.tamu.edu/~sheather/book/docs/rcode/Chapter10.R>. Also address the project milestones indicated below. Please email **both** your .Rmd (or roxygen .R) and one of the following either .HTML, .PDF, or .DOCX using the format SURNAME-FIRSTNAME-Assignment10.Rmd and SURNAME-FIRSTNAME-Assignment10.pdf.

## Exercise 10.3.4 [60 points]

### Project milestones [20 points]

1. Draft your discussion/conclusion.
2. Revise your introduction.

Make to address any loose ends before the final written report and presentation.
